

STOOL REGULAR

Regular stool is a modern architectural concrete product. Its minimalist shape and right angles allow it to be used in many ways. It will be **great as modern terrace furniture, garden chair, table, and after turning by 90 degrees as a flowerbed**. It can also be used as an arrangement element in public spaces. For stand-alone use or for creation of sets with other furniture from Regular collection. **Available in 4 colors.** Made of concrete with a noble, satin texture. **100% handmade!**

USAGE

For indoor and outdoor use. Use as a seat or as a flower pot.

USEFUL RECOMMENDATIONS

Do not overload above the specified maximum load, do not jump on it, do not hit with sharp objects.

SPECIAL FEATURES

100% manufacture. Satin texture of concrete. The minimum grade of concrete: C 30/37.
