

TABLE GRAVITY

The Gravity table is a furniture item designed to **replace the traditional** desk, dining table or terrace in modern spaces. Thanks to an original combination of contrasting materials, concrete and beech wood, the table is an interesting addition to **both indoor and outdoor spaces**. Join in the gravity field of concrete. Project: Jakub Sojka.

USAGE

For indoor and outdoor use. Use as a table.

USEFUL RECOMMENDATIONS

Do not overload above the specified maximum load, do not jump on it, do not hit with sharp objects. The item must be placed on a level surface.

SPECIAL FEATURES

100% manufacture. Satin texture of concrete. The minimum grade of concrete: C 30/37.
