

LONGER

Modern – **elongated and narrow** – **Longer** panel is sure to satisfy even the most refined and sophisticated tastes. It is a **designer alternative** to standard planks and patio tiles; it will complement any **modern space** giving it an **unconventional** character. Thanks to the Longer panel, projects of the terraces will benefit from its uniqueness and durability.

USAGE

Terraces, alleys and garden paths, walkways, patios, courtyards, passages (pedestrian traffic only).

USEFUL RECOMMENDATIONS

Do not overload punctually or hit with sharp objects. While using, the surface is naturally tarnishing. In order to reduce scratching, we recommend sticking felt pads of some soft material under the furniture or other accessories or utilities. The installation built according to the rules of art.

SPECIAL FEATURES

100% handmade. Satin texture of concrete. A panel with an elongated shape and a flat surface, hand-poured.

All surfaces should be executed in accordance with the guidelines of GDDKiA (General Directorate for National Roads and Motorways) No. D-05.03.23.
