

FANTASY

Paving stones Fantasy gives unlimited possibilities in designing. An interesting pattern in the **shape of small trapezoids in five different variants** allows you to create the perfect composition, giving the surface a unique charm. Raiders of the original solutions will appreciate the potential that lies in the inconspicuous quadrangles. Fantasy **looks good on small surfaces, narrow alleys and winding garden paths**. Due to the natural shape similar to granite blocks Fantasy is often used as a finishing element for different types of paving stones.
